

ALBA NIGHT & DAY

TECHNICAL DATA SHEET

NORMATIVE

Compact, easy to operate, handheld distress signal. Consisting of a red flare at one end and an orange smoke at the other.

The signal is approved in conformity to the last updates of the normative CE Directive 2013|29|EU

Category P1

N.Certificate :2465-PYR.17.0046

Registration number: 2465-P1-17014

INSTRUCTIONS FOR USE

A combined day and night signal of sighting. Ideal for personal use on small boats, kayaks and windsurfs. Both ends can be fired independently and can be doused in water after firing, allowing the unused end to be stowed until required.

Shockproof plastic tube

APPLICATIONS

Remove the cap from the side to use (Smoke at day - Flare at night).

Pull the loop. The signal ignites after 2 sec. delay.
